## Product Information

- Required Products: *None*

Yo Hipsta Outfit And Accessories is a complete set of dress (that can be turned into a top), satchel bag (in 3 shapes: shoulder handbag, hand handbag, and standalone prop), clog shoes, layered necklaces, bracelets, and 10 poses for Genesis 3 Female(s).

Iray materials are included to achieve the quality you need for the new generation of NVIDIA Iray renders, in addition to the traditional 3Delight materials.

The 10 provided poses load just clicking an icon which automatically poses Genesis 3 Female(s) and all the pieces.

You also have 8 full material presets that apply to all the outfit with just a click, and of course partial materials for each piece, and hide options to make it even more customizable and you can load all the outfit at once or each piece independently.

**MATERIALS FEATURES:** In the dress you can hide the skirt and turn it into a top. You can choose between silver and brass-golden metals for each piece, the color of each bracelet strap, mix and match 8 skirts with 8 tops of the dress, the color of the spiral and the horn in the necklaces, even hide one of the necklaces, hide the card in the satchel bag or put a blank one, even doing yours following the tutorial included... And each piece has 8 material presets you can mix and match as you wish. Create endless combinations for a lot of situations!

**COMPATIBILITY FEATURES:** The dress, clogs, shoulder bag, and layered necklaces work with all the Genesis 3 Body Morphs, as all of them have been included when needed, which means full freedom to use any of those morphs in your creations. This product is for Genesis 3 Female(s), including Teen Josie 7, Victoria 7, Eva 7, Bethany 7, and Karen 7. The bracelets have pre-made fits for all those figures, and fine tuned dials to adjust to any other morph. You also have hand and feet poses and icons to zero morphs and transforms.

**MORPHING FEATURES:** The satchel handbag conforms and follows the right collar of Genesis 3, and automatically poses and morphs with her, and also has movement morphs to turn it, move it, all of it or only the bag part, and change its size. The bracelets include mess morphs to make each one fall differently. The necklace can move and swing in all directions. The hand version of the handbag has its center in the handle so you can rotate and scale it easily. The dress also has morphs to adjust movement or shape, make it longer or shorter, and sit.

Dress, Shoulder Bag, Necklaces and Clogs include adjustment morphs in case you need them.
