Product Information

- Required Products: *None*

Add a touch of warmth or a splash of color to your renders with IDG dForce Dynamics Scarves and Shawls. Designed to get the most out of your Library and combine it with the magic of dForce. IDG

dForce Dynamics are designed to be simple, basic, non-conforming, rigged figures that can be used with any figure in your Library without modification or conversion. IDG dForce Dynamics gives you the ability to pose or animate these figures before (and during) the dForce simulation allowing you more control over your dynamic simulations.

Materials range from the most fashionable silk, delicate lace, hand painted sheers and sparkles, to warm fleecy fabrics and heavy knit. There are scarves for every figure and every occasion. Also included are a set of 8 DIY materials for each size scarf and 18 interchangeable colors.
