## Product Information

- Required Products: [Agma HD for Genesis 8 and 8.1 Female](#)

In Agma Expressions, there are only new morphs of emotions without the use of basic expressions.

All 40 of the feelings of Agma look realistic thanks to careful and laborious work in ZBrush over each experience of the girl.

Enjoy smiles, shouts, delight, pain, joy, etc. — a whole palette of expressions that will be visualized on the screen without grotesqueness and falseness.

All of the advertising images show the Agma model from the product Agma HD for Genesis 8 and 8.1 Female. In some pictures, materials from the texture supplement Agma - The Tattooed Girl are shown.

## Product Notes

### Installation Packages

Below is a list of the installation package types provided by this product. The name of each package contains a [Package Qualifier](#), which is used as a key to indicate something about the contents of that package.

- 1 Core <sup>1)</sup>

[ ] = *Optional, depending on target application(s)*

Not all installation packages provide files that are displayed to the user within the interface of an application. The packages listed below, do. The application(s), and the location(s) within each application, are shown below.
