

# Simulation Instructions

## *For the Victorian Steampunk Expansion Set*

### **Simulation mode:**

#### Timeline

- After loading Genesis 8 Female, change the timeline frame numbers from 31 to 41
- Go to frame 30, and pose Genesis 8 Female, make sure the pose is dForce compatible
- Go back to Frame 1, and load the !VictorianSteampunkALLWithDress
- Select the Overdress Back Bow and hide it, if you want to speed things up a little bit, you can hide the Gloves, Hat and Goggles.
- Click on Simulate and wait until it ends on Frame 41
- Select the UDress, go to Parameters/Simulation, and make sure Freeze Simulation is ON
- Do the same with the Overdress
- Go back to Frame 1 and un-hide the Back Bow
- Run the simulation again, don't worry, the UDress and the Overdress draping effects are memorized
- Now in case you hid the Gloves, Hat and Goggles, is time to show them again.
