

Le Mousquetaire Simulation Instructions

Preferred Method:

Timeline

- Load Genesis 8 Male
- Open the Timeline and set the total frames to 51
- Move to Frame 30 and pose Genesis 8 Male using your favourite pose, make sure the pose of your choice is dForce friendly.
- Go back to Frame 0

Pants:

- Load the Pants and the Boots
- Start the simulation
- Once finished, select the Pants, go to Parameters/General/Simulation and make sure you turn the Freeze Simulation On

Coat

- Load the Coat, the Sash and the Bandolier
- Start the simulation
- Once finished, select the Coat, go to Parameters/General/Simulation and make sure you turn the Freeze Simulation On

Cape

- Load the Cape
- Start the simulation
- After you are done, and this is optional, select the Cape, go to Parameters/General/Simulation and make sure you turn the Freeze Simulation On

Cape Collar

- Load the Cape Collar
- Start the Simulation
- And... that's it, now you can load the remaining items such as the Rapier, Hat and Boot Guards

Enjoy it!
