Contact [paul@digitalartlive.com](mailto:paul@digitalartlive.com) if you require support with using these searchable videos

# How the Searchable Videos Work

The image shows a video player interface with several callouts pointing to specific features:

- Search on any word or phrase spoken during the video**: Points to a search icon (magnifying glass) in the top right corner of the video player.
- Playlist : select a video to search or watch from the playlist**: Points to a playlist icon (three horizontal lines) in the top right corner of the video player.
- Use the cog symbol also for switching on captions**: Points to a cogwheel icon in the bottom right corner of the video player.
- Download the MP4 video using this symbol**: Points to a download icon (downward arrow) in the bottom right corner of the video player.
- Click here to alter playback quality. Recommend to alter from Auto to 1080**: Points to a gear icon in the bottom right corner of the video player.

The video player interface includes a 3D scene view, a timeline, and a list of video items on the right side.
